We would like to inform you a very good news that Springer (*Springer International Publishing AG, Gewerbestrasse 11, 6330 Cham, Switzerland*) has officially agreed to publish high quality papers of the conference in a book.

The title of the book is **“Advances and Applications in Geospatial Technology and Earth Resources - Proceedings of the International Conference on Geo-Spatial Technologies and Earth Resources 2017”**

As required by Springer, papers should contain original researches that have not been published nor submitted for publication elsewhere in another form or language. Each papers will be reviewed by minimum two reviewers matching the content areas. In addition, papers will be checked on plagiarism and self-plagiarism by software provided by Springer.

Endnote software with the style “*SpringerReferenceGTER2017.ens*” should be used for the management of citations and reference. Please copy the file *SpringerReferenceGTER2017.ens* to the *EndNote Styles folder* on your computer (i.e. C:\Program Files (x86)\EndNote X7\Styles)
